The ancient Otuwhero RIver gives our wine its name, and is fed by melting snows from surrounding mountain peaks. Our wild, wind-swept Otuwhero Estate is set at the edge of the Southern Pacific Ocean. The Estate is remote coastal and rugged terroir – this produces distinctively bold, ripe fruit flavors, and exquisitely expressive wines. The soil found here in the Awatere Valley is alluvial gravels that rise through our silt and clay soils – delivering bold minerality, intensity and ripe opulence to our wines.
