The estate in Bernkastel possess vineyards throughout the Mosel River Valley, many of which are in the “best of the best” locations.

Dr. Pauly-Bergweiler is owned by Dr. Peter Pauly and his wife Helga, both of whom are traditional advocates of noble wines. The vineyards are mainly planted on difficult-to-cultivate river valley hillsides and are planted predominantly with late maturity Riesling grapes, which place high demands on their location. In most years, the Riesling wines range from hearty, juicy table wines in sharp or fruity versions up to the noble Trockenbeerauslese (wine made from dry overripe individually selected berries) and the rare Eiswein (ice wine, made from berries frozen by frost) both of which are rich, luscious sweet wines, often attracting the highest bids at top wine auctions.

Dr. Peter Pauly, born in 1939, has a Ph.D. in agricultural science and is the offspring of the longstanding wine families Bergweiler and Prüm, first mentioned in official records in 1156. Dr. Pauly’s pride and joy, his 4.6-acre Bernkastler alte Badstube am Doctorberg vineyard facing directly south, yields some of the greatest wine from the Moselle valley, year after year. It is neighboring the Bernkasteler Doctor vineyard and is only planted with Riesling vines which are more than 35 years old. Dr. Pauly-Bergweiler is the only wine-maker selling “Bernkasteler alte Badstube am Doctorberg” in the US.

Bernkasteler Badstube Riesling Kabinett 2017

The Badstube Kabinett has a bouquet of ripe apricot, with spicy & exotic notes. Well-integrated acidity is combined with nuances of apple, nutmeg & white pepper. This wine achieves a nice balance between sugar and acidity.

Wehlener Sonnenuhr Riesling Kabinett 2017

Due to its individual slate stone notes, it is direct and complex at the same time. The aroma is of citrus fruits and rhubarb. The taste is well-balanced in natural sweetness and has an acid-driven finish.
