

GRAN PASSIONE

Passion is a powerful feeling,

a compelling emotion. GRAN PASSIONE is exactly this, the expression and devotion to our work that honors the tradition of our land.

HONORING THE ITALIAN WINEMAKING TRADITIONS OF:

Veneto

ROSSO

Rosso is crafted in the tradition of "Apassimento" (to dry and shrivel), the same style as Amaroni wines of the region. This technique has its roots in an ancient past dating back to the Roman era. Over the centuries, this technique of "drying" the grapes before crushing has been honed, resulting in this unique expression of northern Italy. This wine is a blend of Corvina and Merlot.

Piedmonte

BARBERA D'ASTI
DOCG

GAVI DOCG

Piedmonte is often called the "Burgundy of Italy" due to its reputation for many small family wineries and a focus on quality. The Gran Passione Piedmonte collection (Barbera d'Asti DOCG & Gavi DOCG) represents the diversity and quality of this northwestern pocket of Italy, set at the foot of the Alps.

Puglia

SALICE
SALENTINO
DOCG RISERVA

Our Salice Salentino wine is crafted from Negroamaro grape, a red wine grape variety native to southern Italy. It is grown almost exclusively in Puglia and particularly in Salento, the peninsula referred to as the "heel" of Italy. The grape can produce wines of very deep color and intensity that are some of the best reds of Puglia.

Campania

FALANGHINA

Falanghina is a very characterful ancient white grape which may have provided a basis for the classical falernian and is still grown on the south west of Italy near Naples. It surrounds the Mediterranean basin with abundant sunshine and hillside sites for vineyards, and volcanic soil quite suitable for vine growing.
