

# MONT GRAVET

Côtes de Gascogne, Pays d'Hérault, France  
Colombard, Carignan

Mont Gravet comes from vineyards located in the Gascony region, near the city of Toulouse in the South West of France.

The climate combines the Oceanic and Mediterranean influences, which brings enough sun and humidity to grow rich, concentrated and ripe grapes.

Close to the producers, and in order to source the best vineyards, our winemaker has found some amazing "terroirs" spread on hills. These hills are called "Mont" in French. So as a tribute to the terroir from where the wine comes from we have named in Mont Gravet, "Gravet" being the name of an oval shaped rock commonly found in the area.

## Mont Gravet Carignan 2015

"Juicy and fresh, this is an easy-going Carignan with a rose-hip tang to its fruit and just enough tannins to take on meat-stuffed vegetables this summer."

"Aromas of wild herbs and black pepper opening to blackberry, plum, and cherry jam notes. Nicely structured and relatively full on the palate, with ripe black fruit, cinnamon, and anise, over gamey and leathery hints. Ripe tannins on the peppery finish. Good by-the-glass choice."
