

## Weinertel & Niederösterreich, Austria

Pratsch is a relatively small, 20 hectare estate comprised of 13 single vineyards in the Niederösterreich region (Lower Austria) all maintained under organic certification for over 10 years by the Pratsch family.

Pratsch is a relatively small, 20 hectare estate comprised of 13 single vineyards in the Niederösterreich region (Lower Austria) all maintained under certified organic certification since 1995 by the Pratsch family, Wilhelm and Anneliese and their son, Stefan.

Green harvesting and high density planting control yields and ensure grapes of the highest quality are brought to the winery in pristine condition. They are transported in small crates, where they are gently pressed and fermented in stainless steel, very-low temperature fermentations (16°C / 60°F), frequently under a blanket of inert gas, to guarantee the most intense varietal aromatics remain in the wines.

All of this attention to detail and dedication to the purity of the land by Stefan and the Pratsch family is translated directly into the quality of the wines that are a true reflection of their terroir.

### Grüner Veltliner 1 Liter 2016

“Fresh and clean notes of pear and lemon rise immediately. They also play on the featherlight, easy and juicy palate, enlivened by some lively spritz. Dry and refreshing, this is made for a summer party or picnic.”

### Grüner Veltliner Weinviertel DAC 2015

“Fresh green and red apples on nose and palate make for a light-bodied, fruity but fresh wine that has all the makings of a summer sip: lightness, dryness and tons of citrus freshness. Easy but huge fun.”

### Grüner Veltliner Niederösterreich 2016

“Exquisitely ripe Mirabelle plums on the nose are joined by crisp, green Conference pear on the palate and make for a wonderfully appetizing contrast. The finish is clean. This is probably exactly the sort of easy-drinking Grüner that inspired Austria’s epic wine songs.”

### Grüner Veltliner Rotenpüllen 2016

“Well-structured, with a core of pear and tangerine zest nicely framed by notes of smoke and spice. Acidity cuts through and enlivens the finish. Drink now.”

### Rosé 2017

"Yellow peppers, nettles and gooseberries, herbal notes, ripe mouthfeel, salivating fruit of yellow grapes and citrus, sweetness, aromatic, full-bodied."

### Zweigelt 1 Liter 2016

"A nose of juicily ripe black cherries has both a white pepper and cinnamon edge. The palate continues these fruity notes, given precision by fresh acidity while the pepper continues to provide interest. This light-bodied red will benefit from chilling and is made for a picnic basket with its easy-drinking, utterly fruit-driven style."

### Kittel Sauvignon Blanc 2016

"Soft notes of green bell pepper, nettle and grass give this a fresh aspect. The slender palate then adds lemon, giving a focused zestiness, with glimpses of boxwood. The wine is citric, slender and very refreshing."

### Riesling Lange Ried 2011

"Soft and fragrant, this is a warm feeling Riesling. Of course, it has fine, steely acidity but it also has a riper fruity character, white fruits, hedgerow flavors and an edgy feel."

**2012** "An enticing mix of lime zest and very ripe, juicy pear present the first impression and unite in a linear, racy palate. As the wine opens in the glass, spicier edges appear: apricot kernels and marzipan make an appearance and promise future flavour development. With thrillingly fresh acidity and a lip-smacking finish, it's almost irresistible now, but with this sort of concentration certainly also good for laying down."
