

SENDA VERDE is a collection of artisanal wines from unique regions in northern Spain that follow the 43°N parallel, stretching from coastal Galicia eastward along the northern coastline. In contrast to the rest of Spain, this area is lush and green from oceanic and geologic influences. The region is referred to as "España Verde" (Green Spain).

Legacy & Future Vintages

Senda Verde Albariño 2019

DO Rías Baixas

"A light color along with aromas of apple, pineapple and wet stone open this zesty number braced by citric acid. Green apple and underripe pineapple flavors finish with a crisp mineral note."
