

We are a small, California winery committed to crafting quality wines from single vineyards in California's premium coastal and cool climate growing areas. In the 1990s, aspiring winemakers Richard Bruno and Chris Condos were students at University of California, Davis, where they bonded over their love of Chenin Blanc and other obscure grape varieties. They wanted to do things differently and were full of dreams and started a company on credit cards and some help from friends and family. Their focus was then, and remains the same: search California's coastal vineyards and special micro-climates in search of the best vineyards grown by the state's best growers. Vinum Cellars is committed to sustainable and vegan wines.

Vinum Cellars Chardonnay 2017

This complex coastal Chardonnay is medium straw colored and has a tropical profile, with integrated spice and creamy French oak notes. The aromas displayed are citrusy with Meyer lemon and kumquat and backed with jasmine and clove spices. On the palate, the wine becomes more creamy due to malolactic fermentation in French oak which takes the citrusy notes and softens them a bit, adding lychee and white cherry notes.

Vinum Cellars PETS Petite Syrah 2016

"Dark, inky purple, plum color. The intense aromas express blueberry and huckleberry fruit notes. The wine is refined with a rich French Oak barrel profile which is quite integrated in the mid-palate and a silky platform for the cassia spice and sappy vanilla flavors. The wine is well structured and full bodied with elegant tannins allowing the flavors and character of the variety to shine through. The finish is rich with dark chocolate, blackberry and creamy Tahitian vanilla."

Vinum Cellars Red Dirt Red 2016

"This is a unique blend which yields a combination of flavors that is only possible with a blend. The Syrah is very juicy with ripe cherry and supple with a silky texture; the Mourvèdre is responsible for the earthy notes and then the wine finishes with spicy Grenache which seems to express black and/or white pepper notes and followed by the super dark and dense Petite Sirah which adds depth, concentration and supple cherry flavors which brings the whole blend together."

"Thick grippy tannins surround a core of mountain sage and dried herb in this 100% varietal wine. Tart underlying acidity brightens a triumvirate of cherry, cassis and red currant, with the promise of rocky minerality lingering on the finish."
