**Tasting Notes:** Rudolf Müller Piesporter Goldtröpfchen Riesling Kabinett is made from very ripe Riesling grapes that come from the famous single vineyard site of Goldtröpfchen in the Mosel Valley of Germany.

The name Goldtröpfchen (Gold-trop-shen) literally means "tears of gold" due to the small quantity and precious nature of its wines. The site benefits from slate soils and a steep, south-facing slope, producing a wine with lovely, complex flavors and aromas of peaches, apricot, citrus and slate.
