**The Story:** 'Shine' Riesling takes its name from the unique northern wine-growing region of Germany where grapes often require the additional rays of the sun reflected off of the country's many rivers to achieve full ripeness.

**Tradition:** Founded in 1919, Rudolf Muller is one of the most traditional and respected wine producers in the Mosel Valley. The quality you have come to expect from Rudolf Muller continues to exceed all expectations and is prevalent in every bottle of 'SHINE'. The Rudolf Muller name, their state-of-the-art winery and long-term grower contracts make this one of the best values on the shelves today.

**Food Marriage:** This wine should be served chilled and can be enjoyed as an aperitif or with spicier Asian cuisine. Try it with firmer cheeses, pastas with cream sauce and lighter seafood dishes.

**Tasting Notes:** 'Shine' Riesling is bright and crisp with aromas and flavors of peach, spicy pear and ripe apple.
