G.A. SCHNEIDER HIPPING SPÄTLESE RIESLING
GERMANY

TASTING NOTES

The G.A. Schneider Hipping Spätlese Riesling has hints of pine frond, earth and smoke entice on the nose of this unusual, remarkably well-priced Riesling. Semi-sweet in style, it's rich and creamy on the palate with luscious peach and grapefruit flavors. It's surprising nuanced too, exposing layers of steel, crushed mineral and acid that meld beautifully through a long finish.
