*Robert Parker*  
WINE ADVOCATE

"The approachable red 2022 Dourosa Tinto is harmonious and balanced, produced in a fruit-driven, clean and modern style, with fine tannins and some clout to stand up to food but approachable and easy to drink. It's a blend of Touriga Nacional, Touriga Franca and Tinta Roriz that matured in stainless steel and has a moderate 13.5% alcohol. Drink Date:2024 - 2028."
