

Since 1709 our family has produced wines reflecting the uniqueness of the Rheinhessen. Embracing modern wine making techniques in conjunction with skills achieved from more than three hundred years of wine making are the reasons our wines are the best quality. Because of our desire to keep our tradition in balance with nature, we have worked over the last several years switching the ecology of our vineyards and winning, in 2015, our certification as an organic winery.

### Schäfer Organic Pinot Noir 2018

*"This is a value Pinot Noir made with organic grapes that offers juicy fruit-forward flavors of Welch's grape juice and black-cherry preserve elevated by whiffs of dried violets, toast and spice. Ripe and piquant, with lingering hints of cumin and cinnamon, it's an elegant but approachable wine that's best to drink now through 2025."*
