

**Fosil Chardonnay 2017**

Argentina

**92PTS**

Wine Advocate  
May 28, 2020

The personality of this wine of white grapes is nourished by the simplicity and freshness of the farm and its natural context, but at the same time by the strengthand vibrancy of its brand. Linked to the identity of the alluvial soils of Valle de Uco, Fosil is something inert, ancient, something to explore or rediscover, which represents what was life years ago.

IMPORTED AND MARKETED BY
