## Biohof Pratsch Riesling Lange Ried 2011

---

Austria

**88PTS**

Wine Enthusiast  
November 17, 2019

The 'Lange Ried' vineyard, translating to 'Long Vineyard' is made up of alluvial soils created from the last glacial period covering this region of Austria. These glacial deposits provide an ideal setting resulting in a wine that is bright and crisp with apples & lemon/lime flavors. It has well integrated acidity and is very lively and balanced.
