· NATURAL ·  
MADE WITH ORGANIC GRAPES

"We are proud of this range of wines and they are born from a way of thinking and doing that we have in the family, always looking for identity, quality, love, and respect for our land. Their names are born from our inspiration on this earth. Foxes are part of this land and appear in our vineyards. When people see them they always cry out: 'El Zorrillo!' (a little fox!) with joy and surprise." - JULIA ZUCCARDI

## EL ZORRILLO

2022

**NATURAL WINE.** Santa Julia El Zorrillo is the first Organic and Natural Orange wine from Bodega Santa Julia and reflects our mission to develop wines in an organic and sustainable way, coexisting with the environment instead of attacking it. It represents the maximum expression of the variety and its surroundings. Allowing us to enjoy its potential in a more natural way.

**VARIETAL** 100% Chardonnay  
(100% ORGANIC)

**ORIGIN**  
Mendoza, Argentina

**VINIFICATION** Natural Wines are those that have as little human intervention as possible from the vineyard to its production. Sulfites are not added. Natural yeasts are used, and the wine is bottled unfiltered. This new white wine has the peculiarity of being fermented like red wines, that is, with the skins or skins of the grape. This process seeks to extract the tannins that will help in its subsequent maceration for 45 days, achieving an orange-colored and somewhat cloudy wine since it is bottled without filtering.
