

SANTA JULIA

Made With Organic Grapes

MALBEC ROSÉ 2023

Santa Julia Made with Organic Grapes is a range of wines coming from certified organic vineyards and it expresses our goal of emphasizing organic agriculture, peacefully coexisting with the environment.

Organica is a clear example of the combination of unique style and diversity to be found in Mendoza soils. From working in the vineyard and in each of the stages of development, Santa Julia winery has a genuine commitment to sustainable production and care of all those details that allow obtaining wines that win consumers worldwide.

WINE DATA:

GRAPE COMPOSITION:

100% Malbec - organically grown grapes

APPELLATION: Santa Rosa & Maipu Vineyards, Mendoza

HARVEST DATE:

Hand picked grapes during the first and second week of March

VINIFICATION: In stainless steel tanks with selected yeasts. Skin maceration for 10 days.

TASTING NOTES:

COLOR: Rosé wine of medium intensity, with yellow hues.

AROMA: Aromas of strawberries, sweet red fruits and blackberries.

FLAVOR: Unctuous and delicate palate. Good balance between sugar and acidity.
