

SCHÄFER

DRY-STYLE RIESLING 2020

MADE WITH ORGANIC GRAPES

REGION:

Rheinhessen, Germany

VINEYARDS:

Mettenheim (Schlossberg, Goldberg), Bechtheim (Stein)

WINEMAKER:

Volker Schäfer

VARIETAL:

Riesling

TERROIR:

Travelling South along the Rhine, a short distance from Nierstein, an old village of Mettenheim is on the edge of the broad Rhine valley at the foot of the rising slopes. The warm soil structure of loam, with underlayers of clay, in the Schlossberg slope, and sandy soil of the Goldberg offer excellent conditions for viticulture. It is here that the Schäfer family have been cultivating vines since 1709.

TASTING NOTES:

It's dry on the palate, with tart but concentrated white peach and grapefruit flavors accented by a dusty, smoky minerality.

FOOD PAIRING:

A perfect match for strong Indian and Asian spiced dishes. Also fantastic with a spiced duck leg, dishes with acidic sauces, roasted vegetables and soft cheeses.
