ZUCCARDI
VALLE DE UCO

Third generation Winemaker Sebastian Zuccardi brings a new determination to explore Argentina's many microclimates and soils. In 2000, Zuccardi started making wines from grapes grown in the high altitude Uco Valley vineyards. The intensity of flavor that comes from the vineyards in extreme conditions is expressed in the Zuccardi Icon Series.

FINCA PIEDRA INFINITA GRAVASCAL 2020

Sebastián Zuccardi describes the Supercal and Gravascal bottlings as his lieu-dit wines from the Finca Piedra Infinita estate, noting that they are in a stricter style than the Infinita blend and even "a bit unbalanced and extreme early on in terms of their texture."
