ZUCCARDI
VALLE DE UCO

The Zuccardi 'Q' line represent wines of the highest quality made from the oldest vines, up to 40 years of age, grown at the foot of the Andes Mountains in the high altitude province of Valle de Uco of Mendoza. The rich climate and geography of our high elevation Valle de Uco vineyards provide excellent fruit ripening and concentration.

ZUCCARDI Q

2023 CABERNET SAUVIGNON

Zuccardi Q Cabernet Sauvignon is sourced from select vineyard lots in Gualtallary, Tupungato (4035 ft) and La Consulta (3608 ft), Uco Valley. It has intense purple color and is full of ripe red black fruit aromas, such as blueberries and cassis. It can be consumed now, but will age beautifully for several years. The front label image illustrates the stone walls of the Zuccardi winery rising from the Uco Valley soils symbolizing how the Andes mountains emerged millions of years ago.
