ALLENDORF

SAVE WATER DRINK RIESLING

Dry Riesling 2023

The Allendorfs have been living in the heart of the Rheingau - the Winkel - since the 13th Century, and the wine estate was founded by Fritz Allendorf in 1955 who was also president of the Rheingau Vintners' Association. His son Ulrich has been at the helm since 1996, and the estate is today an elite VDP member, cultivating 140 acres of estate vineyards, mainly in Winkel. The whole family of Allendorfs are involved at the estate, with the young generation Max as winemaker since 2012.

SAVE WATER DRINK RIESLING

In addition to working as close to organic as possible The soil of the Allendorf estate in the Rheingau is a rocky soil with natural irrigation and **NO ADDITIONAL WATER** is needed for irrigation purposes, **SAVING THOUSANDS OF GALLONS** of this natural resource.

This high-profile estate-grown and estate-bottled "VDP.Gutswein" boasts a unique fun label. Moderate alcohol, firm structure with a citrusy finish and hint of appealing peachy fruit is the perfect palate quencher.
