

HEINZ EIFEL

Today, Heinz Eifel is run by father Heinz Eifel and daughter Anne Eifel-Spohr, crafting wines from the highest quality grapes processed with only the most modern standards, techniques and technology. Unlike many larger German wineries, Heinz Eifel himself has control over the entire winemaking process — from vine to bottle.

The **Heinz Eifel Shine** wines are made from grapes harvested on the sloping hillsides of Germany's prime wine growing regions. The winding rivers running alongside these vineyards reflect sunshine, which help ripen the grapes throughout the long, cool growing season.

Shine DRY RIESLING 2023

 **Rheinhessen, Germany**
APPELLATION

 **100% Riesling**
VARIETALS
The Riesling grapes have a very long ripening phase, which greatly benefit the fruit and aroma characteristics. All grapes were harvested in excellent condition, providing the best possible potential for a top quality wine. They are then gently pressed and slowly fermented to dryness at cool temperatures in stainless steel to preserve as much freshness and aromas as possible.
