

Producing top quality German Riesling is more than just a science, it is an art.

HEINZ EIFEL

Today, Heinz Eifel is run by father Heinz Eifel and daughter Anne Eifel-Spohr, crafting wines from the highest quality grapes processed with only the most modern standards, techniques and technology. Unlike many larger German wineries, Heinz Eifel himself has control over the entire winemaking process — from vine to bottle.

VARIETALS

100% Riesling

The Riesling grapes had a very long ripening phase, which greatly benefit the fruit and aroma characteristics. The state of health of the grapes was particularly pleasing as it provided best possible prerequisites for top wines in all quality grades.
