

# FRITZ ZIMMER

This Riesling celebrates diversity. The wine is made from a mosaic of vineyard sites that dot Germany's Mosel Valley. Riesling is produced in a broad range of styles—from dry to sweet—pairing with an abundance of foods and occasions. With this wine, we also want to celebrate the diversity of the people who enjoy it.

Fritz Zimmer is a brand of German wines created by the Römerhof winery. Unlike many large German wineries, Heinz Eifel himself, owner of Römerhof, and his wine-maker daughter have control over the

entire winemaking process — from vine to bottle. With over 20 generations of winemaking experience in the family, each wine in the Fritz Zimmer range is crafted from the highest quality grapes processed with only the most modern standards, techniques and technology.
