GRÜNER VELTLINER

WE ARE WATER

THE HUMAN BODY IS MADE UP OF 60% WATER. UNDERSTANDING THIS FACT CAN CHANGE THE WAY WE CARE FOR OUR NATURAL WATER SUPPLY. SYNTHETIC CHEMICALS FROM DECADES OF MODERN FARMING PRACTICES HAVE BEEN CONTAMINATING LARGE SWATHS OF OUR DRINKING WATER, BUT TOGETHER WE CAN REWILD OUR WATERWAYS AND ALLOW THEM TO REGENERATE. OUR SOILS NEED IT, OUR CROPS NEED IT, AND WITHOUT A DOUBT OUR BODIES NEED IT.

ORIGIN

NIEDERÖSTERREICH, AUSTRIA

Austria

PROFILE

This zippy Grüner Veltliner comes from a young and dynamic multigenerational family winemaker in Austria. Racy and exhilarating, with a deep golden hue and aromas of sun-kissed citrus, chamomile, and limestone. It will transport you to the Alps and have you yodeling from the hilltops during your après-ski.

FOOD
PAIRING

Kind of Umami! While Grüners pair with classic Austrian dishes, its new-found glory is with Asian spices. It's also one of the few still wines that holds up against challenging vegetable fare such as artichoke and grilled asparagus.
