

Ressò in Catalan means "Echo." Perched high above the Catalan coast on the Mediterranean sea, the Ressò vineyards flourish as the climate is extreme Mediterranean with very low rainfall but with the peculiarity of a near constant presence of either the "Cers wind" (from the interior land to the sea) or the "Garbí wind" (offshore breeze). The vineyards are located in the Terra Alta region in the far southwest of the Catalunya DO, west of the province of Tarragona.

RESSÒ)

Legacy & Future Vintages

Ressò Garnacha Blanca 2020

Very floral and fruity with a hint of citrus on the nose. White flowers with apple and peach flavors are backed by mineral notes and crisp acidity. This wine pairs with all kinds of Mediterranean dishes, pasta, goat cheese salads, fish stews, and seafood. Also with poultry and cream cheese.

Ressò Garnacha Tinto 2020

Well structured and complex, with floral nose of red fruits and mineral tones. Candied strawberries and black raspberry fruit flavors are augmented by licorice, mineral and peppery notes. A perfect accompaniment for grilled meats, poultry, red meat, rice meals and semi-cured and cured cheese.
