

Since 1709 our family has produced wines reflecting the uniqueness of the Rheinhessen. Embracing modern wine making techniques in conjunction with skills achieved from more than three hundred years of wine making are the reasons our wines are the best quality. Because of our desire to keep our tradition in balance with nature, we have worked over the last several years switching the ecology of our vineyards and winning, in 2015, our certification as an organic winery.

Legacy & Future Vintages

Schäfer Organic Riesling Dry-Style 2020

It's dry on the palate, with tart but concentrated white peach and grapefruit flavors accented by a dusty, smoky minerality.
