

# CLOS DE NIT

CLOS DE NIT IS A CATALAN PHRASE THAT TRANSLATES TO  
“VINEYARD OF THE NIGHT.”

The land that comprises the Montsant D.O. located in southern Catalonia takes the shape of a crescent moon when drawn on a map. This is the inspiration for the unique blends of the Clos de Nit range.

The Designation of Origin D.O. Montsant is known as the “diamond in the rough,” because although it is a D.O. which was created in 2001, it already has a prestigious reputation throughout the world. D.O. Montsant is located in the centre of Catalonia, forming a ring around the famous and exclusive DOQ Priorat. It is a very isolated area, depending exclusively on agricultural production methods that respects the environment.
