

Piazza del Castello

AS A TRIBUTE TO THIS ALLURING PLACE, WE HONOR THE
TRADITION OF WINE AND FOOD IN ITALY WITH
PIAZZA DEL CASTELLO.

Situated in the picturesque hills of Tuscany is the medieval town of Radda where an 11th century castle still stands today. Just beneath the tower is a quaint square called Piazza del Castello. The grapes grow in the sun-drenched hillside vineyards near this alluring place. A rich Italian wine, Piazza del Castello is meant to be shared with family and friends, and created to complement an Italian-style meal.

ROSATO IGT TOSCANA

VARIETALS: 100% Sangiovese

TASTING NOTES:

A light rosé color. The elegant bouquet has notes of red berries with delicate hints of tropical fruits. Dry, soft and well-balanced on the palate with a good acidity and a long finish. *This Sangiovese Rosato pairs best with light salads, light pasta and prosciutto & roasted red pepper flatbreads, especially with seafood, raw or lightly cooked shellfish, and goat cheeses. Perfect warm weather drinking.*

ROSSO IGT TOSCANA

VARIETALS: 60% Sangiovese, 30% Cabernet Sauvignon, 10% Merlot

TASTING NOTES:

An intense red color with a fragrant bouquet of floral and violet notes. The beautiful aromas convey sensations of fullness and complexity with a note of ripe berries that gives way to chocolate and nuances of dark earthy tones. It is harmoniously rich in structure but bold in the finish. *This wine is suitable for the entire meal. Excellent with salted pork meats, cheese, pasta dishes, white and red meat.*
