

The Sea Pearl vineyards are enveloped by the Pacific Ocean to the east and hinterland mountains to the north and south. This beautiful valley along the coast in the Awatere Valley is the perfect place for Sauvignon Blanc to flourish. The Awatere Valley is cooler than the other parts of Marlborough with stony soils, creating Sauvignon Blanc packed with citrus and mineral characteristics.

Sea Pearl Sauvignon Blanc Can 2019

"New Zealand Sauvignon Blanc is a great option for summer imbibing, with its light body, bright gooseberry and lime notes, and zippy acidity. This canned wine is a textbook example of that profile. A hint of minerality and a spray of citrus on the finish round it out to make this a must-buy."

"Toasted herb and matcha green tea flavors balance the juicy pear and citrus notes, finishing with a touch of tangerine. Drink now."
