· NATURAL ·  
MADE WITH ORGANIC GRAPES

"We are proud of this range of wines and they are born from a way of thinking and doing that we have in the family, always looking for identity, quality, love, and respect for our land. Their names are born from our inspiration on this earth. La Vaquita is named in honor of Olivia, a baby cow given to my niece to join the farm animals we have in Santa Julia." - JULIA ZUCCARDI
