

We are a small, California winery committed to crafting quality wines from single vineyards in California's premium coastal and cool climate growing areas. In the 1990s, aspiring winemakers Richard Bruno and Chris Condos were students at University of California, Davis, where they bonded over their love of Chenin Blanc and other obscure grape varieties. They wanted to do things differently and were full of dreams and started a company on credit cards and some help from friends and family. Their focus was then, and remains the same: search California's coastal vineyards and special micro-climates in search of the best vineyards grown by the state's best growers. Vinum Cellars is committed to sustainable and vegan wines.

Vinum Cellars Chardonnay 2021

On the palate the wine explodes with generous tropical flavors from mango to passionfruit and then wrapped up in creamy custard flavors. The acidity shines through the creamy texture and demonstrating the optimal acidity that cool climate Monterey grapes possess. The finish is long with silky vanillin, clove, guava and papaya and finishes with baked banana custard flavors. The finish is long with silky elegance and lingering acidity.

Vinum Cellars The Scrapper Cabernet Franc 2017

"Reserved character here, with notes of cedar wood, tobacco, spices and lead pencil to the red fruit. Medium to full-bodied with firm tannins and juicy dark fruit on the palate. Dry and polished with a long, even aftertaste. Drink or hold."

92pts James Suckling 11/21
"This big-shouldered franc has an herbaceous scent of nori and herbs, framing concentrated dark-berry fruit. It has its share of extract, and round, grippy tannins give off a hint of that cabernet franc florality."
