

The Fitz-Ritter family estate dates back to 1785 and is today owned and managed by the 9th generation in succession, Johann Fitz. The wine estate is today certified organic and one of the founding members of the elite VDP "Verband Deutscher Prädikatsweingüter" (Association of German Predicate Wine Estates). The sparkling wine production dates back to 1837, and is thus one of the oldest in Germany.

Gewürztraminer Spätlese Organic 2019/20

"Heady plumes of jasmine blossom and musk perfume this sprightly semisweet Gewürztraminer. Light-bodied but concentrated in lychee and white peach flavors, it's a juicy, easy-drinking sip rimmed by a murmur of tea tannins on the finish. At peak now-2024."

Fitz-Ritter Riesling Extra Trocken Sekt NV

"Invigorating acidity and crisp citrus and apple flavors shine in this sparkling Riesling. The mousse is elegant and smooth, brightened by tiny, persistent bubbles that seem to disseminate pops of caramel and honey sweetness."
