Santa Julia La Vaquita Natural Clarete 2022

"A new "clarete" light red from the "natural" range, the 2022 La Vaquita Natural is the first vintage for this unusual blend of 80% Malbec and 20% Torrontés that fermented together; the Malbec was with full clusters, and they do a semi-carbonic maceration. It has a pale color, with notes from the two varieties, with violets and orange blossom, and it is fine-boned, light and fresh but with clout, with 13.8% alcohol and fine tannins. This is a very gastronomic light red with tasty, clean flavors and aromas and a velvety mouthfeel. Very easy to drink. Drink 2023-2026."

Santa Julia Magna 2019

Cabernet Sauvignon - 50%, Malbec - 40%, Syrah - 10%

"A rather discreet nose of black fruit, herbs and violets. Full-bodied with firm tannins. Structured with a savory aftertaste. Firm and tannic until the finish. A blend of 50% cabernet sauvignon, 40% malbec and 10% syrah. Pretty now, but better after 2022."

92pts James Suckling '21

"I was positively impressed by the 2019 Magna, a blend of 50% Cabernet Sauvignon, 40% Malbec and 10% Syrah from the Valle de Uco. It's the same blend they have used in the last few years, and it seems to work quite well. The 2019 follows the style of the 2018, fresh, harmonious and balanced, with the varieties very integrated and with unnoticeable oak. It has a soft palate and is nicely textured with fine tannins."
