

NATURAL WINES

SANTA JULIA

"We are proud of this range of wines and they are born from a way of thinking and doing that we have in the family, always looking for identity, quality, love, and respect for our land. Their names are born from our inspiration on this earth. **El Cabrito** is named in honor of Panchito, who quickly won everyone's heart and soon became part of the farm." - JULIA ZUCCARDI

EL CABRITO

2025

NATURAL WINE. Santa Julia El Cabrito Natural is the first Organic and Natural Cabernet Sauvignon from Bodega Santa Julia and reflects our mission to develop wines in an organic and sustainable way, coexisting with the environment instead of attacking it. It represents the maximum expression of the variety and its surroundings. Allowing us to enjoy its potential in a more natural way.

VARIETAL 100% Cabernet Sauvignon (100% ORGANIC)

ORIGIN
Maipú - Mendoza, Argentina

HARVEST Handpicked.

VINIFICATION The grapes come from certified organic vineyards where environmentally friendly practices are carried out. During its production, no external agents are added that could mask the expression of the grape variety, such as tartaric and citric acid to correct acidity or sulfur dioxide for stabilization. The must macerates with the grape skins and is fermented without adding commercial yeasts, the native yeasts being responsible for carrying out this process. At the end, the wine obtained is bottled without clarifying or filtering which explains its slight turbidity.

TECHNICAL DATA

Alcohol: 13.88%
Total Acidity: 5.3 g/l
Sugar: 1.8 g/l
