ZUCCARDI
VALLE DE UCO

POLÍGONOS OF THE UCO VALLEY IS A SELECTION THAT EXPRESSES THE PARTICULAR CHARACTERISTICS OF DIFFERENT TERROIRS WITHIN THE VALLEY. THESE ARE WINES FROM A SELECTION OF VINEYARDS THAT ACCOUNT FOR THE DIFFERENCES IN ALTITUDE, SOIL AND CLIMATE THAT CURRENTLY CHARACTERIZE THE SUBREGIONS OF SAN PABLO, PARAJE ALTAMIRA AND TUPUNGATO.

ZUCCARDI POLÍGONOS *Tupungato Chardonnay 2024*

WINE DATA:

GRAPE COMPOSITION: 100% Chardonnay

APPELLATION: Tupungato, Valle de Uco, Mendoza

HARVEST: The 2023 vintage was warm and very dry, which gave us excellent health and quality in the grapes. It is a year that is also characterized by lower yields, due to the frost in the spring of 2022. Knowing the particularities of each place in the vineyards allowed us to define the harvest time for each area very precisely, always in search of freshness, the expression of place and avoiding overripeness. The wines show great purity and transparency, with vibrant acidity and an enormous complexity of aromas.

VINIFICATION: Manual harvest. Direct pressing. Fermentation with native yeasts. Half of the wine was fermented and aged in concrete vessels and the other half was fermented and aged in used 500 liter French oak barrels.

ALTITUDE: 4,265 ft / 1,300 mt above sea level

SOIL PROFILE: Tupungato brings together some of the highest areas closest to the Andes Mountains in the entire Uco Valley. This privileged position gives it a climate of cool temperatures and an enormous heterogeneity of soils.

ALCOHOL: 13.5% | TOTAL ACIDITY: 7.55 g/l | PH: 3.19

UPC# 0 89832 92307 7
12pk | 750ml
