

Dr Karl Heyden founded the estate in 1999 with his wife, Anita and their two sons, Frank and Harry. This young talented generation is already crafting great wines from these highly rated vineyards. Sadly, Dr Karl Heyden died in 2005. Traditional and meticulously detailed cultivation of the vines with strict pruning, careful soil & foliage management, low yields and selective hand-picking, are coupled with modern technology in the cellars.

Silvaner trocken alte Reben 2022

"Whiffs of violet petal and lychee lend exotic perfume to this dry but very fruity Silvaner. It's a juicy, mouthwatering white marked by tropical melon and peach flavors and finishing elegantly on a rim of tea tannins. An unusual bang-for-your-buck introduction to an underappreciated yet multifaceted grape variety. Best enjoyed young."

Oppenheimer Estate Pinot Noir 2022

Dark berries and earthy flavors mingle in this medium bodied Pinot. Tannins are quite gentle, the wine is open now and should keep for several more years. Modest finish.
