

Heinz Eifel founded the Römerhof winery (Roman Yard) in 1979 in the heart of the Mosel Valley in Trittenheim. With the help of his daughter Anne Eifel-Spohr, who assumed the role of winemaker in July, 2000, the family set out to produce a brand of top-quality wines. The idea behind their collaboration was to pay respect to tradition while incorporating the inspiration of the young winemaker, Anne. So pleased with the quality and individual character of these wines, the Eifel family decided to put their own name on the bottle, thus creating HEINZ EIFEL wines.
