

GEORGES
DUBOEUF

DOMAINE BÉRANGER POUILLY-FUISSE 2023

For more than four centuries, the Duboeuf family has been producing wine. Now, Georges Duboeuf is a name that needs no introduction, as he is famous for turning **Beaujolais Nouveau** into an international phenomenon. He cared a great deal about Beaujolais, and his dedication still resonates today - elevating both the Beaujolais region and Gamay grape to near-cult status. Beaujolais Nouveau and the "Flower Label" Villages wines, wines whose labels were hand-drawn by Georges himself, are part of Les Vins Georges Duboeuf. These wines represent enjoying the simple pleasures of life such as gathering with friends and family.

REGION **Pouilly-Fuisse AOP**
For over 200 years, the BERANGER family has lived in this part of the hamlet of Pouilly, known in the past as the 'Béranger District' in the commune of Solutré. Two tenants are working Emile Béranger's 2 hectares. Georges Duboeuf has been buying the entire production for a long time.

VINEYARD

Viticulture: Clay and limestone soil. Altitude of 820 feet, area of almost 5 acres.

Vinification: 100% malolactic fermentation taking place in temperature-controlled stainless steel vats (between 64.4 - 68°F). 30% aged in oak barrels.

A brilliant pale gold color with light green tints. The nose is very complex and shows great finesse, combining white blossom, hazelnut, roasted almond, pear and lime blossom aromas ... It confirms its promise on the palate with delicate, fruity hazelnut and almond flavors. A rich, fleshy wine with a long, long finish. Very well made. Serving temperature: 54°F. Pair with poultry, fish, goat cheese.
