Vino Rosso D'Italia NV

"A warming high street red with instant appeal thanks to the silky richness of partially dried grapes. If you're a fan of Italian Amarone or Ripasso and looking for an affordable kitchen table alternative, this could be right up your street... This non-vintage blend is cleverly constructed to deliver affordable grandeur and while it appears a touch pale in the glass, don't be discouraged. This red has plenty of sweet fruitcake aromas and is gorgeously silky to sip with dried cherries and cranberries, a hint of sultana and a pleasing bite to the finish that falls somewhere between a sundried tomato and a cherry skin. Thanks to its lean intensity it's great to pair with bold game dishes from wild boar to venison, also fab with a cheeseboard."
