

GEORGES
DUBœUF

DOMAINE LES CHENEVIÈRES MÂCON-VILLAGES

For more than four centuries, the Dubœuf family has been producing wine. Now, Georges Dubœuf is a name that needs no introduction, as he is famous for turning Beaujolais Nouveau into an international phenomenon. He loved the Beaujolais region and wines, and his dedication still resonates today – elevating both the Beaujolais region and Gamay grape to near-cult status. The family passion for fine wine lives today in Dubœuf's top-level bottlings of single domaines, representing the best and most iconic wines of the Beaujolais and Maconnais regions.

Established in 1937, Domaine les Chenevières is owned by the Lenoir family, who have been making wine for more than five generations. Located in Saint-Maurice-de-Satonnay, approximately 13 kilometers north of Mâcon, the estate is recognized for producing high-quality Mâcon-Villages wines. Part of the traditional Mâconnais farmhouse dates back more than 300 years, reflecting the estate's long history in the region. The Lenoir family has been working with Georges Dubœuf for over 40 years.

Mâcon-Villages AOP

100% Chardonnay

Viticulture: The 67-acre vineyard is planted on clay-limestone soils at an elevation of 820 feet (250 meters). The average vine age is 40 years, and the

vineyards are managed using soil tillage with a large proportion of natural grass cover to promote soil health. Careful canopy management and yield control ensure optimal fruit quality and concentration. The estate is mechanically harvested.

Winemaking: The grapes are gently pressed using a pneumatic press before fermentation at 64–68°F (18–20°C) in temperature-controlled stainless steel (60%) and concrete tanks (40%). The wine undergoes 100% malolactic fermentation and is aged on its fine lees.

TASTING
NOTES

The wine is pale gold in color with green tints. Intense aromas of white blossom, lemon and white peach. A full-bodied wine with a refreshing finish.
