

KIND of WILD

MADE WITH ORGANIC GRAPES

GEWÜRZTRAMINER-RIESLING 2025

EYES OF THE WORLD

HUMANS WATCH OVER THIS PLANET AND WE ARE LUCKY FOR THE ABILITY TO SEE SUCH BEAUTY THAT SURROUNDS US. WE SEE THE MOUNTAINS, THE RIVERS AND THE OCEANS THAT EXIST SIDE BY SIDE WITH THE GRASSLANDS, THE FORESTS, AND THE DESERTS. WE CAN PROTECT WHAT'S LEFT AND RESTORE IT FOR FUTURE GENERATIONS SO THEY TOO CAN MARVEL AT THE BEAUTY OF THESE UNIQUE PLACES EXISTING IN BALANCE.

REGION

COLUMBIA VALLEY, WASHINGTON

Our White Blend was grown and produced in Washington's Columbia Valley by a 3rd generation family estate under organic growing conditions. Both the Gewürztraminer and Riesling are old vine, planted in 1984 in our Arete Vineyard in the Columbia Valley AVA. They have been grown Certified Organic since 1999. In addition to organic certifications the vineyards are certified Global G.A.P. for good agricultural practices as well as Glyphosate Residue Free (detox-project.org). The vineyards are located in the Southern and Central part of the state along the Columbia River and produce beautifully elegant white wines with freshness, balance and excellent acidity.
