

SANTA JULIA

MADE WITH ORGANIC GRAPES

MALBEC ROSÉ

2025

Santa Julia Made with Organic Grapes is a range of wines coming from our own certified Organic vineyards, expressing our mission to focus on sustainable agriculture, respecting the environment, and the biodiversity of the place we are a part of.

Santa Julia Made with Organic Grapes is a clear example of the combination of unique style and diversity found in Mendoza soils. From working in the vineyard and in each stage of development, Santa Julia has a genuine commitment to sustainable production and care for all the details that win consumers worldwide.
