

We are a small, California winery committed to crafting quality wines from single vineyards in California's premium coastal and cool climate growing areas. In the 1990s, aspiring winemakers Richard Bruno and Chris Condos were students at University of California, Davis, where they bonded over their love of Chenin Blanc and other obscure grape varietals. They wanted to do things differently and were full of dreams and started a company on credit cards and some help from friends and family. Their focus was then, and remains the same: search California's coastal vineyards and special micro-climates in search of the best vineyards grown by the state's best growers. Vinum Cellars is committed to sustainable and vegan wines.

VINUM® CELLARS

Vinum Cellars Monterey Chardonnay 2024

On the palate the wine explodes with generous tropical flavors from mango to passionfruit and then wrapped up in creamy custard flavors. The acidity shines through the creamy texture and demonstrating the optimal acidity that cool climate Monterey grapes possess. The finish is long with silky vanillin, clove, guava and papaya and finishes with baked banana custard flavors.

The mouthfeel is lively with orange zest, Meyer lemon, quince paste, warming spices, and minerals on the finish. pair with grilled skate, morel mushroom, brown butter."

VINUM® CELLARS

Vinum Cellars The Insider Cabernet Sauvigon 2021

"Dusty aromas of cherry and cranberry meet with mahogany and tobacco lead aromas on the minty nose of this bottling. The palate is layered in wild thyme and sage flavors that play up against the baked cherry core, all leading in to a chalky finish."
